CANQI LIN

PERFORMATIVE INSTALLATION ARTIST / SPATIAL DESIGNER / EXPERIMENTAL THEATRE DIRECTOR

Guangzhou, China | +86 188 2002 6137 | louvslefv@gmail.com | Instagram @lcanqi

Canqi Lin works across spatial performance, installation art, digital media and retail environments. His practice combines physical space with interaction and visual storytelling to examine the links between people, technology, ecology and social life.

EDUCATION

2021 - 2023

MFA, Spatial Performance and Design

Architectural Association School of Architecture (AA), AAIS Interprofessional Studio, London. Participated in and was invited to more than seven exhibitions and presentations during the programme.

2017 - 2021

BA, Environmental Art and Design

School of Architecture and Applied Arts, Guangzhou Academy of Fine Arts. Outstanding student and first-class scholarship recipient.

PROFESSIONAL EXPERIENCE

Apr 2026 - present

Digital Arts Teaching and Curriculum Development - SFK International Art Education

Planning the digital-media curriculum, developing educational products and coordinating academic projects, faculty partnerships and programme delivery.

Apr 2024 - Apr 2026

Digital Media Project Mentor - SFK International Art Education

Mentored installation, spatial-performance and digital-media projects; supported student portfolios, applications and public presentations.

Oct - Dec 2024

Externally Appointed Lecturer - Guangzhou Academy of Fine Arts

School of Architecture and Applied Arts. Designed and taught interdisciplinary courses and lectures connecting space, architecture, environmental art, digital media and installation design.

2023 - Mar 2024

Spatial Designer - HEYTEA, Shenzhen Headquarters

Worked on retail interiors, store displays, spatial standards, materials, concept design and cross-team coordination for the brand's stores.
